

Intercom & Access Control Security System Specifications

Door Entry Station (7-M11P1-I_)

An intercom and access control security system designed to meet the common requirements of residential and commercial building security. The system consists of entry door stations, internal communication stations and a power and switching panel. This specification describes a selected entry station.

64" Pedestal shown. Also available in 52" and 76". If the 52" or 76" version is used, Blank Modules (BM611-0) can adjust the Call Button module to meet ADA height requirements.

Module Descriptions

CMM 611-1 Monochrome Camera –The swivel and tilt camera provides clear, sharply focused and full of contrast images around the clock with its integrated lighting.

TLM612-0 Door Loudspeaker –Weather-proof module with floating low current light button and illuminated light symbol. Also, equipped with volume controller for the loudspeaker. Providing full duplex voice communication to each internal handset station.

TM611-01 Call Button –Call button and lighting features are clearly designed and simply arranged. With doorbell ring to each internal handset station.

ELM611-iClass Proximity Reader –The fully integrated card reader/writer is mounted inside the entry station behind a module cover, allowing easy access via a contact-less reader.

ZDS601-0 Anti-theft Safeguard Accessory –A two state solenoid magnet for integration into the mounting frame together with a stable metal plate is used to lock the release mechanism. This solenoid lock and electronic controller prevents the removal and theft of modules.

Available Colors – Silver Metallic, White, Titanium Metallic and Graphite Brown Metallic

Mounting Options

Pedestal Mounting	Mounting Standards (ADA Standards – 28 CFR Part 36 7/1/94)	
		<p>Mount the top of the frame combination shown above at 56" where a disabled person will reach forward or at 62" where a disabled person will reach from the side.</p> <p>This will place the speaker button and call button at heights that will meet ADA standards (28 CFR Part 36 7/1/94).</p>

Parts List

Qty	Part #	Description
1	CMM 611-1	Monochrome camera
1	TLM 612-0	Door loudspeaker
1	TM 611-01	Call button
1	ELM 611-iClass	Proximity reader
2	ZDS 601-0	Anti-theft lock
1	KSF 616-1/3	4 Module Pedestal
