

# Intercom & Access Control Security System Specifications

## Door Entry Station (7-M24S1-0\_)

An intercom and access control security system designed to meet the common requirements of a seven to eight unit multi-family building security. The system consists of entry door stations, internal communication stations and a power and switching panel. This specification describes a selected entry station.

<p>Wall mounted stations are available in two configurations and may be flush or surface mounted.</p>	<h3>Module Descriptions</h3> <p><b>CMM611-1 Monochrome Camera</b> –The swivel and tilt camera provides clear, sharply focused and full of contrast images around the clock with its integrated lighting.</p> <p><b>TLM612-0 Door Loudspeaker</b> –Weather-proof module with floating low current light button and illuminated light symbol. Also, equipped with volume controller for the loudspeaker. Providing full duplex voice communication to each internal handset station.</p> <p><b>TM611-04 Call Button</b> –Two modules each containing four calls button with nameplates and lighting features are clearly designed and simply arranged. With doorbell ring to internal handset stations in the selected apartment unit.</p> <p><b>ZDS601-0 Anti-theft Safeguard Accessory</b> –A two state solenoid magnet for integration into the mounting frame together with a stable metal plate is used to lock the release mechanism. This solenoid lock and electronic controller prevents the removal and theft of modules.</p> <p><b>Available Colors</b> – Silver Metallic, White, Titanium Metallic and Graphite Brown Metallic</p>

## Wall Mounting Options

<u>Surface Mounting</u>		Mounting Standards (ADA Standards – 28 CFR Part 36 7/1/94)	
			<p>Mount the top of the frame combination shown above at 56" where a disabled person will reach forward or at 62" where a disabled person will reach from the side.</p> <p>This will place the speaker button and call button at heights that will meet ADA standards (28 CFR Part 36 7/1/94).</p>

## Parts List

Qty	Part #	Description
1	CMM 611-1	Monochrome camera
1	TLM 612-0	Door loudspeaker
2	TM 611-04	Call button
2	ZDS 601-0	Anti-theft lock
1	MR 611-4/1-0	Mounting frame
1	GA 611 4/1-0	Surface mount housing
